Business Turnaround

Over 20 years of experience principally in public accounting providing audit, review and consulting services to not-for profits and privately- held companies in the manufacturing, wholesale distribution, construction, services, and real estate industries.

Leadership – served as a Director at a large local CPA firm.

Team Development - Mentored and developed all levels of personnel to assist with their professional development as a means to continue to strengthen the company and provide exceptional service to clients.

Skills – Strong analytical problem solving ability to identify areas of weakness or concern. Solid interpersonal skills which create an environment that allows for completion of projects and assignments. A dedication to meeting deadlines. Design and implementation of accounting policies and procedures.

B.S. in Accounting – Towson State University
